Description of Proposed Construction

**B. WATER – SANITARY SEWER - STORM SEWER CONNECTION**

Every building requiring connection to the Municipal Water and/or Sewer System shall be subject to the following:

1. An application to connect to the Municipal Water and/or Sewer System shall be filed with the Chief Building Official, and is subject to the fees set out in the current Fees and Charges By-law.
2. The applicant shall be responsible for connection and all costs associated with the connection to the municipal systems(s). When applicable, these shall include connection to the Municipality's infrastructure at the water and/or sewer main.
3. All connections shall be completed to the following standards (or latest revisions):
  - a. American Water Works Association
  - b. Ontario Provincial Standard Drawings (OPSD)
  - c. Ontario Building Code
  - d. Ministry of Environment Regulations and Procedures
  - e. Township of South Stormont Site Plan and Subdivision Design Guidelines
4. Application for works within the Township Right of Way must conform to By-law 2016-024.

**C. ACKNOWLEDGEMENT**

I/We hereby apply to the Township of South Stormont for permission for a Water/Sewer connection and do hereby agree to conform to the conditions, standards and specifications listed above.
