Welcome to our 2020 Spring & Summer Community Guide

Mayor's Message

Getting outside, moving our bodies and engaging with others all have positive effects on our wellbeing. Here in South Stormont, we are so fortunate to have access to a variety of high-quality programming, facilities and outdoor spaces that let us do just that.

This guide is full of possibilities for people of all ages and abilities. Choose anything from dance or zumba to summer bubble parties and swimming lessons for children. I also encourage you to check out all the exciting events planned from Canada Day celebrations to the St. Andrews West Community Fest.

Council works tirelessly to make South Stormont one of the most livable places to be! Have a suggestion about how we can make it better? Connect with us any time – send an email to info@southstormont.ca.

I look forward to seeing you this summer!

Bryan McGillis, Mayor
Township of South Stormont

Information listed on page 26 & 27

North/South Trail

South Stormont maintains and operates the "North/South" trail that stretches from Cornwall Centre Road to historical St. Andrews West. There are entrances to the path on Cornwall Centre Road, Headline Road, and McIntosh Road. The path is fully paved and measures approximately 5km. The trail is intended for non-motorized recreational activities. All dogs must be on a leash and owners must clean up after their pets.

The Great Lakes Waterfront Trail

St. Lawrence Parks Commission operates this trail that runs alongside the shores of the St. Lawrence River. Access to the trails is available in the following communities:

- Ault Island
- Ingleside
- Long Sault
- Lakeview Heights

Upper Canada Migratory Bird Sanctuary

There are more than eight kilometers of self-guided hiking trails and close to 150 different bird species to watch for.

NOTE: Dogs are not permitted on the trails.

NOTE: Overall, the trails are flat and not overly challenging.

The maple trail has some gentle slopes, but no hills. On all trails, one will encounter uneven terrain such as tree roots and rocks as the trails are not surfaced with any material. For more information www.friendsofthesanctuary.ca

If you wish to reserve the courts/fields or diamonds listed below for tournament or program play, check the rates below. Otherwise, these courts are first come first serve.

To reserve please contact sherry-lynn@southstormont.ca or kevin@southstormont.ca

CAMP KAGAMA

Camp Kagama offers traditional, week-long overnight camp programs. Away from the bright lights of the city and glow of the electronic screens... to a place **where kids can be kids**. Activities includes games, sports, creative arts and crafts, water activities, canoeing, nature hikes, and of course campfires, singalongs, stories and so much more.

***** NEW THIS YEAR *****

Camp Kagama has introduced two exciting speciality camps; one focused on Crafts and the other focused on Music. Each camp is three-days and two-nights.

OUR SECOND ANNUAL OPEN HOUSE

is on June 28, 2020 from 12pm-2pm.

All are welcome to tour the facility, meet the staff, previous campers and Board of Directors

Camp Kagama's 2020 camping schedule

CAMP	DATES	AGES
• LEADERSHIP	June 28 - July 3	14+
• Music (SPECIAL Co-ed)	July 5 - July 7	7-13
• Craft (SPECIAL Co-ed)	July 8-July 10.....	7-13
• Senior GIRLS'	July 12 - July 17	11-13
• Junior CoEd (4 days)	July 19 - July 23.....	7-10
• Intermediate CoEd A	July 26 - July 31.....	9-12
• Junior GIRLS' (4 days)	Aug. 3 - Aug. 7.....	7-10
• Intermediate CoEd B	Aug. 9- Aug. 14	9-12
• Senior BOYS'	Aug. 16 - Aug. 21.....	7-13

Please visit our website CampKagama.ca for full details; including a tour of the camp, registration forms and staff applications, testimonials and more.

Adult Recreation

Seaway Karate

Date: Monday's beginning April 6

Time: 6:30 p.m.

Location: R-O Public School Gym (enter at far west end)

Contact: Jim Riddell 613-551-6386 jimriddell@cogeco.ca

Did you know that garbage collection is one of the most hazardous occupations in Canada?

The Township's Public Works employees are well trained and wear protective clothing, but sometimes injuries occur due to improper disposal of sharp items in curbside garbage. Broken glass is one major hazard that has caused injury to Township employees. Broken glass is NOT recyclable and should be disposed of properly to ensure it makes it way safely to the landfill.

Tips to safely dispose of BROKEN GLASS

- Wrap broken glass in several layers of old cloth.
- Use a hammer to gently break into smaller pieces.
- Place the wrapped glass in a box and seal with strong tape.
- Write **DANGER – BROKEN GLASS** in large letters on the box.
- Place at the roadside alongside your regular garbage.

Trillium Road Landfill Site 14595 Trillium Road

Tipping Fees Subject to Change Without Notice
TIPPING FEES WILL APPLY TO ALL CONSTRUCTION MATERIALS BROUGHT TO THE LANDFILL

Personal Use

- Car.....	\$15.00

- Transport Tires <u>with Rims</u>	\$15.00
- Car & Truck Tires, no Rims.....	FREE
- Shingles.....	\$60.00
- Construction Materials.....	\$60.00
Freezers, Refrigerators and air conditioners that have been decommissioned.....	FREE
Appliances and window air conditioners that have <u>not been</u> decommissioned.....	\$45.00

Recycle Materials at Landfill Site

The Landfill Site is equipped to accept recyclables. If you miss your recycling collection or have a large amount to dispose of, simply bring it to our Landfill site **free of charge**. Containers have been set up to take cardboard and other recyclables at this location.

Please remember to keep cardboard to a maximum size of 1m x 1m x 30cm and do not mix it with other recyclables.

E-Waste at Landfill

E-waste is accepted at our Landfill Site **free of charge**. Accepted materials include: computers, keyboards, monitors, and TVs (no wooden consoles).

Free Access Landfill Pass – Please contact Town Hall or simply drop by the office to request your landfill **pass for 2 free loads per year**. **Free Pass cannot be used to dispose of construction materials.**

Did you know... E-waste can be dropped off at the Habitat for Humanity ReStore Seaway Valley during normal business hours, 7 days a week, 1400 Vincent Massey Dr, Cornwall, 613-938-0413. They also accept used batteries and old cell phones. For more information, please visit their website at: www.habitatseawayvalley.org

Tips for Setting Out Your Waste

• Due to a number of factors, collection times may change. Please be on time and place ALL items at the curb by **7:00 a.m.** on your garbage and recycling day.

• During winter months, ensure that material is free of snow and ice and visible to the collection crew. Do not place materials on top of snowbanks.

• Do not dispose of syringes and needles in your garbage or recycling. It is illegal and dangerous. Please contact your pharmacy or place of purchase for proper disposal methods.

GARBAGE

• Residents may place a maximum limit of two (2) garbage bags / containers per week for collection at the curb. Commercial businesses and registered farms are permitted up to a maximum of six (6) garbage bags / containers per week.

• Only regular household garbage placed in garbage bags or bags within containers with handles, weighing less than 23 kg (50 lbs.), will be collected. **Leaf and yard waste will not be accepted with regular garbage collection.**

• Avoid accidents and injury. Remember people are handling your waste. Be mindful of the material you place out for collection as well as how it is set out. Wrap broken glass in cloth, break it into smaller pieces with a hammer and put it in a box clearly marked with contents before placing it out for collection.

RECYCLING

• Recyclable material is collected every second week on the same day as your garbage. Please refer to the map on the reverse to establish your recycling collection day.

• Bundle and tie all corrugated cardboard in bundles and place beside your Recycling Box.

• Save space and prevent litter; squeeze pop cans, large plastic bottles and beverage cartons. Remember to bundle and tie cardboard to save space in the truck and to prevent litter on the streets and roadways.

• Secure your recyclables. Stack your Recycling Boxes one on top of the other to prevent papers from blowing away.

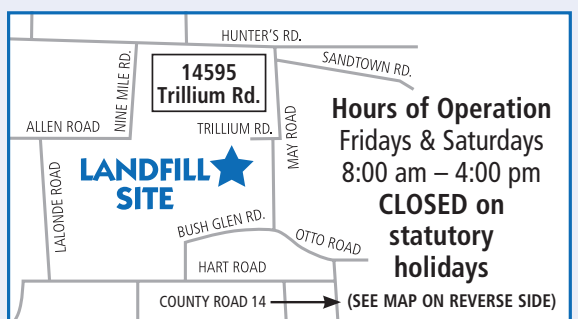

• Empty and dried paint cans can be placed out for recycling.

© Township of South Stormont

Trillium Road Landfill Site

In an effort to increase the lifespan of the landfill, no commercial waste is permitted and you must be a resident of South Stormont to dispose of waste at the landfill.

Hours of Operation
 Fridays & Saturdays
 8:00 am – 4:00 pm
CLOSED on statutory holidays

(SEE MAP ON REVERSE SIDE)

RECYCLING FACTS

Recycling one tonne of paper saves 17 trees, 6953 gallons of water, 463 gallons of oil and 583 pounds of air pollution. One pound of newspaper can be recycled to make six cereal boxes, six egg cartons or 2,000 sheets of writing paper. Plastic bottles are infinitely recyclable and can be used to make new bottles, Polar fleece, carpets and car bumpers. An ink cartridge takes 1000 years to bio-degrade

Cardboard: keep separate!

Tissue, paper towels, napkins, waxed paper, laminated, lined and metallic paper, contaminated paper and the hard cover on books (please remove).

← As shown in photo.

For more information visit www.southstormont.ca.

Household Hazardous Waste & E-Waste Collection

The Township of South Stormont and the City of Cornwall have an agreement for **Township residents** to dispose of both hazardous waste and e-waste at the City of Cornwall depot at 2590 Cornwall Centre Road West.

Depot open from April to November:

- Two Saturdays per month - 8 am to 12 noon
- Two Wednesdays per month - 8:00 am to 4:30 pm

(Please see the monthly calendar on reverse for exact dates)

Items accepted at the depot include:

Paint: Latex and oil-based

Corrosive: Vehicle batteries, drain cleaner

Flammable: Lighter fluid, turpentine, gasoline, used oil, diesel and furnace oil

Toxic: Poisons, bleach, medications, pesticides, cleaning fluids, antifreeze and full aerosol cans

Propane tanks: Both the regular BBQ tanks and the smaller camping type cylinders

E-Waste: As described previously

General: "Curly" fluorescent bulbs, smoke detectors, microwaves and thermometers with mercury.

IMPORTANT

- No PCBs, fireworks, flares or ammunition
- No paint produced prior to 1977
- No needles
- For unknown substances, call 613-936-6072

For other local green disposal options, visit www.makethedrop.ca

18 - 2020 Spring & Summer South Stormont Guide

Leaf and Yard Waste Collection

The Township is pleased to provide special collection for leaf and yard waste for **built up areas**. Please refer to the calendar on the reverse of this publication for dates, and the Township website for additional details as they become available.

Please be reminded that collection begins at 7:00 am and remember to use **COMPOSTABLE PAPER BAGS ONLY** (no clear plastic bags) for the leaves, and tie branches and shrubs into a bundle no larger than 1 m x 1 m x 30 cm. Additionally, the Trillium Road Landfill Site is open every Friday and Saturday from 8:00 am to 4:00 pm to accept leaf and yard waste **at no charge**.

Did you know... household garbage as well as leaf and yard waste collected in our Township is processed at GFL Environmental located in Moose Creek.

BUILT UP AREAS FOR LEAF & YARD WASTE COLLECTION

Christmas Trees

Trees may not necessarily be collected on your regular collection day.

Please remember to remove all tinsel, decorations and plastic bags prior to collection and ensure your tree does not become stuck or frozen in snow banks.

Pickup may be delayed due to winter conditions

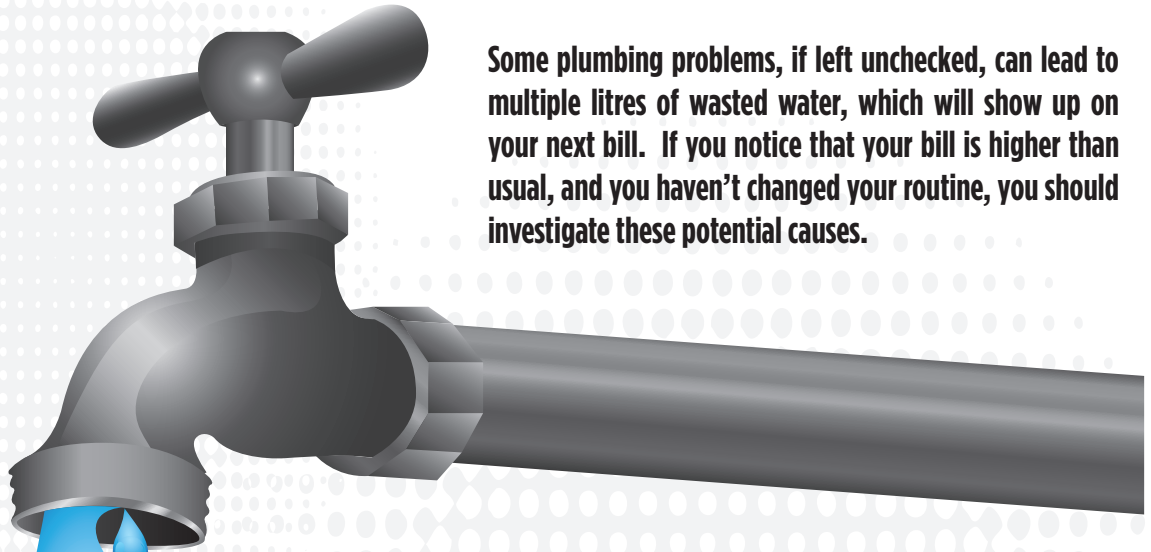

Township Garbage Tags

If you need to dispose of additional garbage, in excess of your regular limit, garbage tags can be purchased at a cost of \$1.50 per tag at the following locations – **PLEASE ENSURE THAT THE TAG IS VISIBLE TO OUR COLLECTION CREW:**

- Crossroads Convenience, 5185 Highway 138
- Foodland, Thorold Lane, Ingleside
- Township Office, 2 Mille Roches Rd, Long Sault

www.southstormont.ca

Higher than normal water bill?

Some plumbing problems, if left unchecked, can lead to multiple litres of wasted water, which will show up on your next bill. If you notice that your bill is higher than usual, and you haven't changed your routine, you should investigate these potential causes.

1. Running and Leaking Toilets.

Your toilet may be your greatest enemy when it comes to a high water bill and is the most common water waster in a home. Depending on the toilet you have, it can use between 6-32 litres a flush. Over the course of a quarterly billing cycle, it can account for over 25% of your indoor water use. Now imagine how much water it will waste if there is an unchecked leak. Depending on the severity of the leak, your toilet could be wasting up to 330 litres a day. Leaks are often caused by issues with the flappers, fill tubes, or unbalanced floats.

2. Dripping Faucets.

A faucet that leaks at a rate of 1 drip per second will waste up to 20 litres a day. Leaking faucets often happen due to being improperly closed, or a washer that's worn out. Your outdoor faucets could also be a source of wasted water. More often than not, your outdoor tap or hose will have some sort of leak while in use, a leak that doesn't necessarily go away when you shut off the tap.

3. Seasonal or Occasional Increases in Consumption.

Sometimes an increase in a bill isn't plumbing related at all. In the summer, gardeners will see higher bills, particularly if the season is dry. The bigger your lawn or garden, the more water you'll use. You may also see an increase in consumption if you have visitors staying in your home.

Remember, all water use, including water consumed by leaks, is your responsibility and will be charged to your utility bill. If you are surprised to see the amount on your bill, make sure to go over the common causes listed above. By addressing these problems, you can significantly lower your bill and save more money.

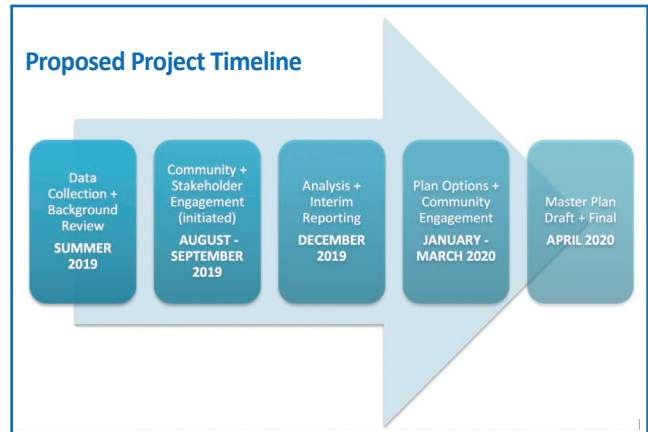

Waterfront Plan

The Township of South Stormont is currently updating its Waterfront Plan! The previous plan was developed in 2005 to guide development of the waterfront area in a way that improves the safe public access to waterfront lands, develops the potential for tourism, and encourages the protection of the natural environment.

The Township has commissioned Sierra Planning and Management – a multi-disciplinary planning firm, in collaboration with The MBTW Group - a multi-disciplinary landscape architecture and urban design firm, to assess and update the Waterfront Plan in order to meet not only the current needs of the communities in the Township but also elevate the importance of the waterfront as a key public asset that is essential to local quality of life over the next ten (10) years.

Get Involved!

South Stormont’s updated Waterfront Plan is currently being developed through a community engagement process. The consulting team has engaged with a range of stakeholders over the course of the project to identify current needs, issues and priorities as it relates to waterfront areas in the Township. Keep checking southstormont.ca/WaterfrontPlan to follow the progress of the project and see how you can provide your input on the Waterfront Plan.

Upcoming Community Engagement Includes:

Public Consultation Tuesday, March 24 at 6:00 p.m. Options will be presented for the Parks and Recreation Master Plan and the Waterfront plan, and the public will have a chance to voice their recommendations.

For more information:

For more information regarding the Township of South Stormont Waterfront Plan project, please contact the Planning Department by email at peter@southstormont.ca.

Parks and Recreation Master Plan

The Township of South Stormont is currently updating its Parks and Recreation Master Plan! The previous plan was developed in 2007, with a Recreation Development Plan completed in 2009 which prioritized key actions and provided a strategic implementation plan to guide planning for the Parks and Recreation Department. Since this time, a number of strategic projects have been implemented, focused on enhancing existing facilities and recreational activities through the provision of new programs and amenities. The existing Master Plan document(s) can be accessed at southstormont.ca – Parks and Recreation Department. The Township has commissioned Sierra Planning and Management - a multi-disciplinary planning firm, to assess and update the Master Plan to ensure parks and recreation services and facilities continue to address community needs while balancing a fiscally responsible implementation plan. The Plan will assist the Township in guiding and managing the direction of parks, open space, trails, facilities and amenities, services, programs and events. The goal of the update is to identify key requirements to support recreational service needs for a further ten (10) year period (to 2030).

Get Involved!

South Stormont’s Parks and Recreation Master Plan is currently being developed through extensive community engagement. Over the course of the project the consulting team had engaged a range of stakeholders such as community groups, sport organizations, public, private, and not-for-profit agencies, as well as the public in identifying current needs, issues and priorities as it relates to developing parks and recreation in the Township. Keep checking southstormont.ca/RecreationPlan to follow the

progress of the project and see how you can provide your input on the Master Plan.

Upcoming Community Engagement Includes:

Public Consultation Tuesday, March 24 at 6:00 p.m. Options will be presented for the Parks and Recreation Master Plan and the Waterfront plan, and the public will have a chance to voice their recommendations.

For more information:

For more information regarding the Township of South Stormont Parks and Recreation Master Plan project, please contact the Director of Parks and Recreation at kevin@southstormont.ca

Planning Department

Secondary Units

Secondary units, also known as accessory apartments, granny flats, in-law suites, or basement apartments can provide affordable and convenient housing options and extra rental income for property owners.

The Township's zoning by-law permits attached or detached secondary units on most residential properties.

Please contact James Morin (james@southstormont.ca) at the Township office for more information and to help get your project started.

Economic Development

South Stormont Online Business Directory

Is your business featured on the Township online Business Directory? This free tool can help potential customers find you and what you can offer. Simply visit southstormont.ca, or email chris@southstormont.ca to submit your information.

Already listed? Be sure to visit the website to ensure all your business information is up-to-date, including address, website, contact information and services provided.

BUSINESS FINANCIAL INCENTIVE PROGRAMS

Community Improvement Plan

The Township's Community Improvement Plan is a financial incentive program offered to commercial or retail businesses within the villages of South Stormont. If you are an owner or tenant of a commercial property within the Township, you may be eligible for grant funding for eligible projects such as façade renovations, landscaping improvements, or even a complete restoration of your building or property.

Visit southstormont.ca for more information, including eligibility criteria, minimum and maximum grants available, potential projects, and eligible business locations.

SDG "Stay, Discover, Grow" Regional Incentives Program

The United Counties of SDG "Stay, Discover, Grow" Regional Incentives Program is another option for financial incentives towards improvements to your business. The program provides grants to help with the costs of a wide variety of property and building enhancements. This program is open to all businesses within SDG.

For more information about the Stay, Discover, Grow Program, including eligibility criteria, potential projects, program goals and more, visit business.sdgcounties.ca.

To schedule a pre-consultation meeting for either the Township Community Improvement Plan or the Stay, Discover, Grow program, contact Chris Hemond, Economic Development and Communications Coordinator at 613-534-8889 ext. 211, or by email at chris@southstormont.ca

How To

Include an advertisement of your South Stormont Business in the Community Guide.

All of the advertisements in this magazine are set up through Seaway News.

- **Contact:** Stefan Kolbinger (Media Solutions Representative)
- **Phone:** 613-363-4486
- **Email:** stefan.kolbinger@tc.tc
- www.cornwallseawaynews.com

Instruct a program or host an event in South Stormont (art classes, workshops, etc.)

• If you are interested in creating a program or hosting an event in the Township of South Stormont please contact sherry-lynn@southstormont.ca.

Include your South Stormont Program/Event in the Community Guide

- This guide is mailed out to each home in South Stormont semi-annually. A Spring/Summer edition is sent out mid-march and a Fall/Winter edition is sent out at the beginning of September.
- To have your program or event included please contact sherry-lynn@southstormont.ca.
- Please contact in a timely manner, the Fall/Winter edition is put together during the months of June and July. The Spring/Summer edition is put together during the months of December and January.

A full list of job titles and descriptions are available by visiting our website at www.southstormont.ca.

Applications for these positions are now being accepted and can be made by emailing jobs@southstormont.ca indicating the job title(s) of interest in the subject line, and attaching a current resume.

Building Department

When are building permits required?

Building permits are required for, but not limited to; the construction or alteration of any structure over 10m² (107ft²) in area, a structure of any size containing plumbing, tents over 60m² (645ft²) and pools.

How do I apply for a building permit?

Building permit applications are available at the Town Hall (2 Mille Roches Rd., Long Sault), as well as on our website at www.southstormont.ca.

Coming Soon - The Building Department will be implementing a new permitting software which will allow for applications to be submitted, and progress tracked, online.

Why should I apply for a building permit?

Building permits regulate construction so that health, safety, accessibility and energy efficiency standards are met. Commencing construction without the issuance of a building permit is in contravention of the Building By-law and the Building Code Act (BCA) of Ontario.

Municipal Law Enforcement

Dog tags

By-Law No. 52-2004 states dog owners must renew their dog tag every year. Dog tags provide identification as well as other important contact information to reunite a lost dog with their owner. The Township has mailed the 2020 dog tag(s) along with an invoice based on the information gathered in previous years. To ensure our information is accurate, we have also included a letter outlining the new pet licensing process for 2020, dog owners must complete the form on the back of the letter and mail it back to our office using the pre-stamped envelope included. If you need to register a new dog, please visit Town Hall

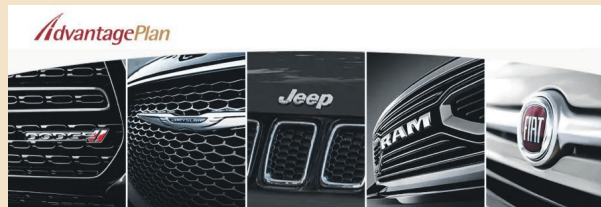

or visit our website at www.southstormont.ca/animalservices. If you no longer own a dog, or your dog is deceased, please advise us accordingly for us to update our files. Please note, tenants will only receive an invoice and will receive their 2020 tags once payment for the licensing fee is received.

WEBSITE RE-DEVELOPMENT PROJECT

The Township is well underway with the re-development of a new website. The new design will provide a fully functional, accessible, mobile responsive, re-developed website. Enhancements will include options to obtain burn permits and landfill passes online, submit a request for service, payment of property and utility taxes and focus on user friendly choices.

We analyzed input from you gathered from the survey last fall, comments from our internal works group – who is comprised of Councillors Woods and Maclsaac, our CAO, Economic Development / Communications Coordinator, Customer Services Representative and Director of Corporate Services. With this feedback, we are designing a website to serve as the Township's communication hub.

We hope to launch the new website in June, 2020. Stay tuned for the official announcement!

SERVICE DELIVERY REVIEW

The Township delivers services to over 5,500 households and is home to over 13,100 residents across the Township. In recent years some service delivery methods have changed or been improved. Council and staff are looking for more ways to increase service delivery, modernize and improve or become more effective and efficient in the way services are delivered.

For example, recently a review of how sidewalks are cleared in winter resulted in changes in the manner the work will be completed in the coming years. After considerable research, time and consultation it was determined the Township could save funds and provide improved sidewalk clearing services in winter by adding one employee and transferring the work to Public Works forces to clear sidewalks with the appropriate equipment.

A review of the information technology systems has resulted in a multi-year phased series of upgrades to ensure security, privacy, safety of information and improved service delivery for residents, Council, and staff. The security of Township held information has increased significantly.

There is more to do.

The Township of South Stormont has hired WSCS Consulting to undertake a service delivery review to provide information to Council to make informed decisions related to current and future services with objectives related to Department roles

and mandates, developing associated service levels for each Department and the development of performance targets that will support optimizing operational and administrative efficiencies and effectiveness.

We want to do better in a more efficient way and save money while doing it.

CEMETERY WORK TO BEGIN IN SPRING

The Township's Cemetery Reserve Fund was established to assist with repair work for cemeteries who have been left unattended and have no financial means. Repair work will begin in the spring at the:

- Northfield Cemetery, Northfield Road;
- Stata Cemetery, State Road; and
- Willis Cemetery, North Lunenburg Road.

If you are interested in learning more about repairs or improvements, for a local Cemetery, please contact the Corporate Services department.

SOUTH STORMONT / SOUTH DUNDAS PHYSICIAN RECRUITMENT COMMITTEE

Physician recruitment is challenge for rural communities across Canada. There are a limited supply of physicians, a large increase in retirements, and population growth is increasingly concentrated in large urban centres. Local clinics and municipal Councillors in both South Stormont and South Dundas have identified physician turnover as a challenge for the local region, along with other municipalities such as Cornwall. Having physicians available locally is important for attracting residents and businesses to this area, especially with an aging population and residents relocating from urban areas that may expect a higher level of service.

To begin to address this issue a joint Physician Recruitment Committee has been established to work with health care professionals in South Dundas and South Stormont to address physician recruitment and retention, as well as other health service needs within the respective communities. The St. Lawrence Medical Clinic has locations in both municipalities and is a key stakeholder. Two meetings and one visioning session were held in 2019 and public members appointments are underway.

We are finding ways to collaborate with our neighbours for the betterment of both communities.

SO YOU WANT TO GET MARRIED – CONGRATULATIONS!

Are you looking for an experienced Wedding Officiant to make your wedding ceremony special? If so, look no further. The Township of South Stormont has three Marriage Officiants on staff, who have been performing civil marriage ceremonies since 2016 and really enjoy the task! If you would like to book one of our officiants, please contact Loriann Harbers, Director of Corporate Services/Clerk at 613-534-8889, Ext. 201 or email loriann@southstormont.ca.

HOW DO I GET A MARRIAGE LICENCE?

Marriage Licences are available at the Township of South Stormont, 2 Mille Roches Rd., Long Sault. The fee for a marriage licence is \$100.00 for residents and \$125.00 for non-residents (payable by cash, cheque or interac). You may download the forms from either the Township or the Ontario "Getting Married" website.

Finance

Property Taxes

South Stormont property tax rates are set by Council each year and are determined by balancing the needs for programs and infrastructure in the community with the financial needs and sustainability of the corporation.

In addition to collecting property taxes for our local needs, the Township is also responsible for collecting taxes on behalf of the United Counties and the school boards.

The interim property tax bill is processed in March of each year is based on 50% of the previous year's annualized taxes. Once the tax rates are set by each level of government, the Township will process the Final tax bills.

Water/Sewer

Properties on Municipal water and/or sewer receive invoices quarterly. Water meter consumption is metered and are read four times a year; March, June, September and December. Once invoices are processed, the property owner has at least 30 days to pay.

Did you know that your water/sewer bill can be delivered by email instead of by mail? By signing up for e billing, you can help the Township reduce your Municipal water and sewer costs. Municipal water and sewer charges are billed back to residents on a cost recovery basis, which means property taxes do not help pay for water and sewer. Any savings incurred in Municipal water and sewer services is a direct savings to customers. Please contact the Township Office at 613-534-8889 or visit southstormont.ca to sign up for e-billing.

Payment Options

1. By pre-authorized payment. Please visit our website www.southstormont.ca for details.
2. By telephone, internet or personal banking through participating financial institutions.
3. In person, via cash, cheque or debit at the Township Office (2 Mille Roches Road, Long Sault) during regular business hours. There is also an "after hours" drop off box just right of the front door where you can pay by cheque after hours. Post-dated cheques are also accepted.
4. By mailing your payment directly to the Township Office, P.O. Box 84, Long Sault ON K0C 1P0.

• Please ensure that your method of payment allows sufficient time for processing; payments must be received by the due date. In many cases, it can take up to three business days to receive payments through telephone/internet banking.

NEW THIS YEAR

PROPERTY TAXES - Starting in 2020, the interim taxes will be split into two payments. Interim taxes will be tentatively due as follows: 50% of the interim levy due and payable on the 31st day of March 2020, and the balance of the interim tax levy due and payable on the 29th day of May, 2020. Due dates for the final taxes are tentatively set as the last business day of July and September. These tentative tax due dates will be confirmed in Bylaw and posted on the Township website.

WATER/SEWER - Starting in 2020, homeowners in Ingleside and Long Sault will no longer see a "Special Area Tax" charge on their property taxes. This charge was associated with the wastewater systems within the two hamlets and will now be included in the wastewater rates and allocated to their utilities bill.

OPEN AIR FIRES/ RECREATIONAL FIRES

An open air fire is defined as the burning of wood, tree limbs and branches where the flame is not wholly contained. Example include brush fires, windrows and farm/rural practices.

Recreational and cooking fires are fires that burn clean, dry wood for cooking or for pleasure. This type of fire does not require a permit and is permitted within built-up areas in the Township. The fire must be contained in a non-combustible container or fire pit no larger than 46cm X 46cm X 46cm and must always be attended by a responsible adult.

Open air fires that require a permit include:

1. Fire greater than 1 cubic meter. This type of fire must be 30 meters away from any structure or wooded area.
2. Fires for normal farm/rural practices (no larger than 6.5m X 6.5m X 2.5m).
3. Windrows for land clearing. This type of fire has specific regulations – please contact the Township office for full details.

Burn Permits are issued at the Township office and are valid for a full calendar year (January-December). Permits are valid for the property listed on the permit only. Any additional properties will require separate permits.

GREEN LIGHTS - WHAT DO THEY MEAN?

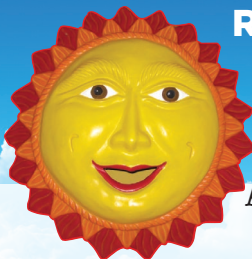

The Township of South Stormont receives fire protection from local volunteers who often respond to emergencies in their own private vehicles. These vehicles are not equipped with red lights or sirens that make them stand out from any other vehicle on the road. To help the public identify firefighters responding in their own vehicles, the Ministry of Transportation amended the Highway Traffic Act to allow volunteer firefighters responding to emergencies to use a light that flashed green. If you see a vehicle with a flashing green light activated, you now know it's one of us, on our way to help one of our neighbours. Remember, the home we're rushing to save or life we're going to rescue could be yours, or that of a close friend. Please let us by!

HOME SAFE HOME PROGRAM

Residents may have their home inspected by the Fire Prevention Officer free of charge. This will help homeowners identify and correct any hazards and ensure all smoke and carbon monoxide alarms are working properly. If you are interested in booking an appointment for your home to be inspected, please call the Township office at 613-534-8889.

RESTAURANTE

Sol de Acapulco

Amigos come and enjoy a little taste of Acapulco
in our little town of Ingleside.

Spring-Summer menu - Every day specials.

Muchas gracias amigos for all the support.
