Welcome to our 2021 Spring/Summer Community Guide

Mayor's Message

Although COVID-19 has kept us apart, it hasn't kept everyone indoors! It has been great to see residents enjoying all South Stormont has to offer in the wintertime; snowmobiling through our trails, ice fishing on the St. Lawrence, or skating on one of our many community out-door rinks. (As an aside, a big thank you goes out to the community volunteers that help maintain these rinks!)

I am proud of how our community continues to handle the restrictions and public health guidelines surrounding the COVID-19 pandemic. Please stay vigilant and continue to do your part to help keep each other safe and healthy. To stay updated on how Township operations are being affected by the changing restrictions, please follow our website and on social media channels to stay up to date.

Due to provincial government requirements surrounding COVID-19, our Township office has been closed to the public at different intervals depending on the current restrictions. Despite this, Township Staff are still working to ensure that they can always assist you as they normally would. I would like to remind residents that many processes and applications can be completed on our website, southstormont.ca, and that our phone lines continue to remain open.

On behalf of South Stormont Council and Staff, thank you for your continuing cooperation. Although the winter weather has been beautiful, I'm certain we're all excited to see it all melt away soon!

Bryan McGillis, Mayor
Township of South Stormont

South Stormont Recreational Trail

South Stormont maintains and operates the South Stormont Recreational Trail that stretches from Cornwall Centre Road to historical St. Andrews West. There are entrances to the path on Cornwall Centre Road, Headline Road, and McIntosh Road. The path is fully paved and measures approximately 5km. The trail is intended for non-motorized recreational activities. All dogs must be on a leash and owners must clean up after their pets.

South Stormont Community Hall

The Great Lakes Waterfront Trail

St. Lawrence Parks Commission operates this trail that runs alongside the shores of the St. Lawrence River.

Access to this trail is available in the following communities:

- Ault Island
- Ingleside
- Long Sault
- Lakeview Heights

Upper Canada Migratory Bird Sanctuary

There are more than eight kilometers of self-guided hiking trails and close to 150 different bird species to watch for. Note: Dogs are not permitted on the trails. The trails are flat and not overly challenging. The maple trail has some gentle slopes, but no hills. On all trails, one will encounter uneven terrain such as tree roots and rocks as the trails are not surfaced with any material. For more information visit www.friendsofthesanctuary.ca

If you wish to reserve the courts/fields or diamonds listed below for tournament or program play, please check the rates below. Otherwise these courts are first come first serve. To reserve please contact sherry-lynn@southstormont.ca.

All branches of the SDG Library are currently open for curbside pick-up service.

Hours of operation have been updated during our modified service. Information on services available and current hours of operation can be found at sdglibrary.ca/limited-branch-access.

did you KNOW ?

As well, there are a lots of Library resources available from the comfort of your home.

Visit sdglibrary.ca to access their eResources, including a large collection of digital books, magazines, newspapers and subject databases.

If you require assistance accessing any Library resources, please contact us at support@sdglibrary.ca or (613) 537-2592.

Don't Have a Library Card? No Problem!

Register for your SDG Library card online and get started accessing all our great resources and materials today! sdglibrary.ca/apply

Have a question
or need more
information about
the SDG Library?
Ask us!
[sdglibrary.ca/
ask-library-staff](http://sdglibrary.ca/ask-library-staff)

About Curbside Pick-up

Physical library materials can be requested and picked up at your preferred branch. Holds can be placed online using your Library account at sdglibrary.bibliocommons.com or by contacting staff by phone or email. When you are notified your items are ready, contact your branch to arrange pick-up. Please have your Library card with you when you come to pick-up your items.

Returning Materials

Please return Library materials in the book returns outside our branches. Returned items are quarantined prior to being checked in and will remain on your account until this quarantine period is over. If you have returned an item and it is still on your account, please wait a week before following up with Library staff. No overdues will be charged.

eResources

Our eLibrary provides access to a variety of electronic resources such as digital books, eMagazines, eNewspapers, and subject databases. With a Library card, you have access to these online resources anytime by visiting sdglibrary.ca.

Virtual Programs

The Library is currently offering all programs virtually – take part in engaging Library activities from the comfort of your own home! For a current list of programming options, visit sdglibrary.ca/virtual-programs. Programs offered are a combination of pre-recorded and live (Zoom) programs. Please note, registration is required for all Zoom programs.

St. Andrews Express Depot

Pick-up your Library materials at Crossroads Convenience Store in St. Andrews West. Contact Long Sault Branch for more information.

There are many easy ways to REDUCE HOUSEHOLD WASTE

With a little planning, thought, and creativity, you can significantly reduce your impact on the environment (and likely your wallet!) by cutting down on trash.

Reduce your food waste

According to Statistics Canada, food waste accounts for approximately 23% of the residential waste produced by Canadians. An effective way to reduce your food waste is by planning how much food is needed per week. You can do this by taking an inventory of what is within your refrigerator and by creating shopping lists of what is needed. Not only can this aid you in reducing food waste, but it also can limit overspending on groceries that will not be consumed.

Another way to help reduce food waste is by composting. Composting is the natural breakdown of organic matter to produce a crumbly nutrient-rich soil. Over time your compost pile will shrink up to 75% as it naturally breaks down. The resulting compost can be added to other soil types as fertilizer forming an excellent growing medium for plants. Anyone can compost regardless of the size of your outdoor space.

Purchase foods with little or no packaging

Fresh fruits and vegetables are normally offered loose in the produce section of grocery stores. Try to refrain from purchasing produce that is unnecessarily pre-packaged in plastic and/or Styrofoam. You can help limit plastic waste by bringing a reusable produce bag and not using the plastic produce bags that the grocery store provides.

Recycle

Rinse and flatten acceptable recyclable material and place them into your blue box. By recycling, you are limiting items that would otherwise end up in the landfill and turning them into new products. Conserving natural resources, protecting ecosystems and wildlife, and saving energy are all benefits of recycling.

Did you know that garbage collection is one of the most hazardous occupations in Canada?

The Township's Public Works employees are well trained and wear protective clothing, but sometimes injuries occur due to improper disposal of sharp items in curbside garbage. Broken glass is one major hazard that has caused injury to Township employees. Broken glass is NOT recyclable and should be disposed of properly to ensure it makes its way safely to the landfill.

Tips to safely dispose of BROKEN GLASS

- Wrap broken glass in several layers of old cloth.
- Use a hammer to gently break into smaller pieces.
- Place the wrapped glass in a box and seal with strong tape.
- Write **DANGER – BROKEN GLASS** in large letters on the box.
- Place at the roadside alongside your regular garbage.

Trillium Road Landfill Site 14595 Trillium Road

Tipping Fees Subject to Change Without Notice
TIPPING FEES WILL APPLY TO ALL CONSTRUCTION MATERIALS BROUGHT TO THE LANDFILL

Personal Use

- Car.....	\$15.00
- Van.....	\$15.00

- Transport Tires <u>with Rims</u>	\$15.00
- Car & Truck Tires, no Rims.....	FREE
- Shingles.....	\$60.00
- Construction Materials.....	\$60.00
Freezers, Refrigerators and air conditioners that have been decommissioned.....	FREE
Appliances and window air conditioners that have <u>not been</u> decommissioned.....	\$45.00

Recycle Materials at Landfill Site

Free Access Landfill Pass – Please contact Town Hall or visit our website to request your landfill **pass for 2 free loads per year. Free Pass cannot be used to dispose of construction materials.**

The Landfill Site is equipped to accept recyclables. If you miss your recycling collection or have a large amount to dispose of, simply bring it to our Landfill site **free of charge**. Containers have been set up to take cardboard and other recyclables at this location.

Please remember to keep cardboard to a maximum size of 1m x 1m x 30cm and do not mix it with other recyclables.

E-Waste at Landfill

E-waste is accepted at our Landfill Site **free of charge**. Accepted materials include: computers, keyboards, monitors, and TVs (no wooden consoles).

Did you know... E-waste can be dropped off at the Habitat for Humanity ReStore Seaway Valley during normal business hours, 7 days a week, 1400 Vincent Massey Dr, Cornwall, 613-938-0413. They also accept used batteries and old cell phones. For more information, please visit their website at: www.habitatseawayvalley.org

Tips for Setting Out Your Waste

- Due to a number of factors, collection times may change. Please be on time and place ALL items at the curb by **7:00 a.m.** on your garbage and recycling day.
- During winter months, ensure that material is free of snow and ice and visible to the collection crew. Do not place materials on top of snowbanks.
- Do not dispose of syringes and needles in your garbage or recycling. It is illegal and dangerous. Please contact your pharmacy or place of purchase for proper disposal methods.

GARBAGE

- Residents may place a maximum limit of two (2) garbage bags / containers per week for collection at the curb. Commercial businesses and registered farms are permitted up to a maximum of six (6) garbage bags / containers per week.
- Only regular household garbage placed in garbage bags or bags within containers with handles, weighing less than 23 kg (50 lbs.), will be collected. **Leaf and yard waste will not be accepted with regular garbage collection.**
- Avoid accidents and injury. Remember people are handling your waste. Be mindful of the material you place out for collection as well as how it is set out. Wrap broken glass in cloth, break it into smaller pieces with a hammer and put it in a box clearly marked with contents before placing it out for collection.

RECYCLING

- Recyclable material is collected every second week on the same day as your garbage. Please refer to the map on the reverse to establish your recycling collection day.
- Bundle and tie all corrugated cardboard in bundles and place beside your Recycling Box.
- Save space and prevent litter; squeeze pop cans, large plastic bottles and beverage cartons. Remember to bundle and tie cardboard to save space in the truck and to prevent litter on the streets and roadways.

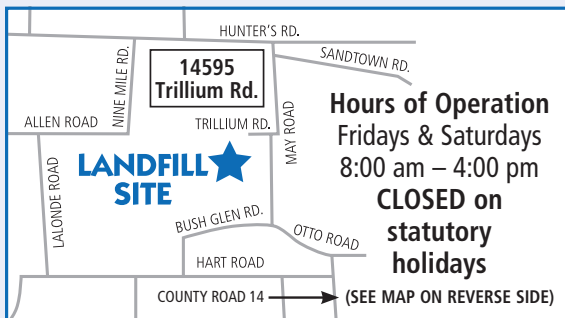

- Secure your recyclables. Stack your Recycling Boxes one on top of the other to prevent papers from blowing away.
- Empty and dried paint cans can be placed out for recycling.

Trillium Road Landfill Site

In an effort to increase the lifespan of the landfill, no commercial waste is permitted and you must be a resident of South Stormont to dispose of waste at the landfill.

Hours of Operation

RECYCLING FACTS

Recycling one tonne of paper saves 17 trees, 6953 gallons of water, 463 gallons of oil and 583 pounds of air pollution. One pound of newspaper can be recycled to make six cereal boxes, six egg cartons or 2,000 sheets of writing paper. Plastic bottles are infinitely recyclable and can be used to make new bottles, Polar fleece, carpets and car bumpers. An ink cartridge takes 1000 years to bio-degrade.

Household Waste Management Calendar 2021

LEGEND

-  Collection Day Boundary Line
-  LIGHT BLUE Recycling Collection Week
-  DARK BLUE Recycling Collection Week
-  Collection Day Change
-  Hazardous Waste Days
- City of Cornwall Landfill Site
-  Leaf & Yard Waste Collection Days
-  Christmas Tree Collection Days
-  Landfill Closed - See next page for hours of operation

The wrong items in your recycling bin break the cycle.

Keep things like garden hoses, bike tires and yard waste out of your blue box.

Acceptable

Non-Acceptable

Glass

Clear and coloured food and beverage bottles, jars & containers.

Dishes, porcelain and ceramics, window panes, light bulbs or mirrors.

Metal

Aluminum and steel food and beverage bottles and containers, foil and plates, EMPTY aerosol cans and dry empty paint cans (recycle lids separately).

Aluminum foil with food scraps, laminated foil, takeout food lids, candy & cigarette wrapping, metalized chip bags, scrap metal, small appliances, full and partially full aerosols should be treated as hazardous.

Plastic

Bottles, jars, tubs, lids and rigid packaging and containers from food, beverage and household products and soft plastics such as plastic bags. ONLY ITEMS WITH RECYCLING SYMBOLS #1, #2 and #5 ARE ACCEPTED AT THE MUNICIPAL RECYCLING FACILITY.

Styrofoam cups or packaging, film, bags, laminated packaging, toys, hoses, durable plastic products, seed trays, plant and garden packaging. ITEMS WITH RECYCLING SYMBOLS #3, #4, #6 and #7 ARE NOT CURRENTLY ACCEPTED.

Paper and Cardboard

Paper cups, fine paper, bills, flyers, envelopes, newsprint, magazines, boxboard, paper back books, egg cartons, kraft, phone books, rolls, brochures and polycoat containers such as milk and juice cartons, gable top Tetra Pak and frozen juice containers.
Cardboard: keep separate!

Tissue, paper towels, napkins, waxed paper, laminated, lined and metallic paper, contaminated paper and the hard cover on books (please remove).

← As shown in photo.

For more information visit www.southstormont.ca.

Household Hazardous Waste & E-Waste Collection

The Township of South Stormont and the City of Cornwall have an agreement for **Township residents** to dispose of both hazardous waste and e-waste at the City of Cornwall depot at 2590 Cornwall Centre Road West.

Depot open from April to November:

- Two Saturdays per month - 7:30am-12 noon
- Two Wednesdays per month - 7:30am-4:30 pm

(Please see the monthly calendar on reverse for exact dates)

Items accepted at the depot include:

Paint: Latex and oil-based

Corrosive: Vehicle batteries, drain cleaner

Flammable: Lighter fluid, turpentine, gasoline, used oil, diesel and furnace oil

Toxic: Poisons, bleach, medications, pesticides, cleaning fluids, antifreeze and full aerosol cans

Propane tanks: Both the regular BBQ tanks and the smaller camping type cylinders

E-Waste: As described previously

General: "Curly" fluorescent bulbs, smoke detectors, microwaves and thermometers with mercury.

IMPORTANT

- No PCBs, fireworks, flares or ammunition
- No paint produced prior to 1977
- No needles
- For unknown substances, call 613-936-6072

For other local green disposal options, visit www.makethedrop.ca

14 - 2021 Spring & Summer South Stormont Guide

Leaf and Yard Waste Collection

The Township is pleased to provide special collection for leaf and yard waste for **built up areas**. Please refer to the calendar on the reverse of this publication for dates, and the Township website for additional details as they become available.

Please be reminded that collection begins at 7:00 am and remember to use **COMPOSTABLE PAPER BAGS ONLY** (no clear plastic bags) for the leaves, and tie branches and shrubs into a bundle no larger than 1m x 1m x 30cm. Additionally, the Trillium Road Landfill Site is open every Friday and Saturday from 8:00 am to 4:00 pm to accept leaf and yard waste **at no charge**.

Did you know... household garbage as well as leaf and yard waste collected in our Township is processed at GFL Environmental located in Moose Creek.

BUILT UP AREAS FOR LEAF & YARD WASTE COLLECTION

- Ingleside
- Forest Hill
- Ault Island
- Fykes Drive
- Colonial Drive
- County Road 36
- VinVista Drive from Long Sault to Richmond Drive
- Long Sault
- Lakeview Heights
- Manning Road
- Loyalist Crescent
- Richmond Drive
- Windermere Drive
- Rosedale Terrace
- Moulinette Island
- Headline Road
- Chantime Drive
- County Road 44 to County Road 42
- St. Andrews
- Highway 138 from Rosedale to St. Andrews
- Island Road from Highway 138 to Delaney Road,
- Osnabrock Centre
- Lunenburg
- Newington
- Northfield
- Harrison's Corners
- Beaver Glen
- Bonville and all other centres on the map.

Christmas Trees

Trees may not necessarily be collected on your regular collection day.

Please remember to remove all tinsel, decorations and plastic bags prior to collection and ensure your tree does not become stuck or frozen in snow banks.

Pickup may be delayed due to winter conditions

Township Garbage Tags

If you need to dispose of additional garbage, in excess of your regular limit, garbage tags can be purchased at a cost of \$1.75 per tag online, or at the following locations – **PLEASE ENSURE THAT THE TAG IS VISIBLE TO OUR COLLECTION CREW:**

- Crossroads Convenience, 5185 Highway 138
- Foodland, Thorold Lane, Ingleside
- Township Office, 2 Mille Roches Rd, Long Sault

Step into Nature at RRCA Conservation Areas

There are endless opportunities to get outside and step into nature this spring and summer! The Raisin Region Conservation Authority (RRCA) offers local natural spaces providing ample opportunities for family staycation activities all year long.

The RRCA owns and manages 3 Conservation Areas along County Road 2 offering visitors a 25 km trail network, campground, marina, and beach:

Gray's Creek Conservation Area 18045 County Road 2, South Glengarry

- 6.5 km of trails
- Permitted spring/summer activities: picnic, play structure, biking, hiking, boat launch/marina slips
- Dog-friendly: Please pick up after your dog and keep your dog on a 6 ft leash.

Cooper Marsh Conservation Area 20020 County Road 2, South Glengarry

- 11.5 km of trails with interpretive signage
- Permitted activities: picnic, hiking, Visitors Centre
- Due to the sensitive nature of the habitat, dogs are not permitted.

Charlottenburgh Park 19788 County Road 2, South Glengarry

- 7.0 km of trails with interpretive signage
- Permitted activities: picnic, play structure, biking, hiking, beach swimming, overnight camping, boat launch
- Dog-friendly: Please pick up after your dog and keep your dog on a 6 ft leash.

Got land? Plant trees!

Are you thinking of planting trees on your property?

The RRCA may be able to offer you significant cost savings. For those looking to plant over 500 trees, the RRCA is booking site visits to plan for spring 2022 tree planting sites. Contact the RRCA today at info@rrca.on.ca.

APRIL BREAK

Monday, April 12 to
Friday, April 16, 2021

VIRTUAL APRIL BREAK

Follow along on
South Stormont's YouTube
channel as we get
creative this April Break!

Video tutorials will be posted to our YouTube channel for the following activities. Visit southstormont.ca/activities for all Virtual April break details.

ENTRY AND PRIZES: Send us a photo of you engaging in these activities or your final creations to be entered to win a prize. There will be a prize for each activity plus a bonus activity – see details below! Entries will be accepted from Monday, April 12 to Friday, April 16. Prizes will be drawn the week of April 19th. *For South Stormont Residents Only*

Please submit entries to summerevents@southstormont.ca

SWEET MOLASSES BREAD

Its time to have some fun in the kitchen! We hope that you will follow along with this recipe that is savory, sweet and easily freezable!

ELEPHANT TOOTH PASTE

Try out this at-home science experiment, be sure to have your safety goggles ready!

BATH BOMB TUTORIAL

Bring a spa-like experience to your own home this week by following this easy bath bomb tutorial. The opportunity to create your own allows you to adjust the ingredients for a fun experience!

GET OUTSIDE - GET MOVING

Be sure to get outside and get active during April Break - jump rope, go for a bike ride, play with your pets, or go for a family walk! Submit a photo of you engaging in outdoor play for your chance to win a prize.

**BONUS
ACTIVITY**

Finance Department

Property Taxes

In addition to collecting taxes for our local needs, the Township is responsible for collecting taxes on behalf of the United Counties of SDG as well as the school boards. The interim tax bills are processed in early March with due dates being the last business day of **March and May**. The interim taxes are based on 50% of the previous year's taxes. Once the budgets are finalized for each level of government, the final taxes are calculated. Due dates for final taxes are the **last business day of July and September**.

Water/Sewer

Water usage in South Stormont is metered and properties on municipal water/sewer receive invoices quarterly. Meters are read in March, June, September and December. Once invoices are mailed, property owners have 30 days to pay.

Did you know that residents of South Stormont who are on Water/Sewer have the opportunity to register for eBilling? eBilling is when you receive an electronic version of your bill directly to your email inbox instead of a paper bill through traditional mail.

The convenient features and benefits of registering for eBilling are:

- Receiving your Water/Sewer bill fast and securely
- Being able to save or print a PDF version of your bill
- Reducing clutter by having less mail to sort through
- Saving trees and the energy required to print, handle and deliver paper invoices

To register for water/sewer eBilling, please visit our website www.southstormont.ca or call 613-534-8889 Ext. 212.

Seasonal Employment

Administration

- Corporate Services - Administrative Assistant
- Finance - Accounting Assistant
- Urban Planner – Building/Planning

Parks and Recreation

- Lifeguard Supervisor
- Lifeguards
- Parks and Recreation Labourers
- Summer Event Coordinators
- Summer Event Assistant Coordinator
- Historical Site Coordinators (Lost Villages)
- Minor Sport Referees
(email sherry-lynn@southstormont.ca)

Payment Options

1. By pre-authorized payment. Please visit our website www.southstormont.ca for details.
2. By telephone, internet or personal banking through participating financial institutions.
3. In person, via cash, cheque or debit at the Township Office (2 Mille Roches Road, Long Sault) Monday to Friday from 8:30 a.m. – 4:30 p.m. There is also an “after hours” drop off box just right of the front door where you can pay by cheque after hours. Post-dated cheques are also accepted.
4. By mailing your payment directly to the Township Office, P.O. Box 84, Long Sault ON K0C 1P0.

- Please ensure that your method of payment allows sufficient time for processing; payments must be received by the due date. In many cases, it can take up to three business days to receive payments through telephone/internet banking.

Electronic Funds Transfer

In our continuing effort to GO GREEN, the Township of South Stormont offers payments via Electronic Funds Transfers (EFT). Processing payments via EFT provides enhanced security, eliminates cheque fraud, reduces costs and improves timing of payments. For more information, or an authorization form, please email accountspayable@southstormont.ca or call 613-534-8889.

Public Works

- Engineering Students
- Labourers

We thank all applicants for their submissions but only those individuals selected for an interview will be contacted. The Township of South Stormont is committed to an inclusive, barrier-free environment and will accommodate the needs of qualified applicants during the hiring process. A full list of job titles and descriptions are available by visiting our website at www.southstormont.ca/employment. Applications for these positions are now being accepted and can be made by emailing jobs@southstormont.ca indicating the job title(s) of interest in the subject line, and attaching a current resume.

Economic Development

Is your business in the Township Business Directory?

Part of the Township's new website is a new and improved business directory to help residents and visitors know about your products or services.

It's free to add your business listing to the Township Business Directory. Simply visit www.directory.southstormont.ca and click "Register." Provide your business details, such as address, website, contact information, hours, photos, and products/services and click "Submit." That's it! Your submission will be reviewed by staff and live on southstormont.ca within one business day.

After you have registered, you can edit your business details at anytime, simply by logging in from the Business Directory page.

Township CIP Under Review for Improvements

The Township Community Improvement Plan (CIP) was designed to provide local businesses with financial incentives to improve their buildings and properties, encourage the creation of additional secondary uses within the Township, and help to enhance the character of our retail and commercial areas.

The program has been in place since 2013 and is now up for review to find improvements and alternative ways to assist our business community. Stay tuned to southstormont.ca for updates on the process, including opportunities for public feedback and examples of potential changes to the program to improve our ability to assist as many businesses as we can.

In the meantime, the existing CIP program remains in place and open for applications. Contact our Economic Development and Communications Coordinator, Chris Hemond to discuss how the program can help you improve your business!

Building Department

When are building permits required?

Building permits are required for, but not limited to; the construction or alteration of any structure over 10m² (107ft²) in area, a structure of any size containing plumbing, tents over 60m² (645ft²) and pools.

How do I apply for a building permit?

You can apply for a building permit in person at the Township Office (2 Mille Roches Rd., Long Sault) or online with Cloudpermit. The Cloudpermit building permit system allows you to apply for and to see the status of your application anywhere, at any time.

Why should I apply for a building permit?

Building permits regulate construction so that health, safety, accessibility and energy efficiency standards are met. Commencing construction without the issuance of a building permit is in contravention of the Building By-law and the Building Code Act of Ontario.

DID YOU KNOW?

In 2020, the Township of South Stormont Building Department issued 197 permits facilitating over \$44 million in building activity.

When should I apply for a building permit?

It is recommended that you apply for building permits 6-8 weeks prior to the anticipated start date of your project. Although it may not take that long to process your application, it does allow time for unexpected delays due to volume of applications, missing information, conformance with zoning regulations, etc.

When and how do I request building inspections?

A list of required inspections is indicated on each building permit. After each stage of construction is completed, building permit holders are required to notify the Township by calling 613-534-8889 Ext. 233 or emailing building@southstormont.ca at least 2 full business days in advance to request an inspection.

For more information and FAQ please visit our website at www.southstormont.ca or contact our Building Department at 613-534-8889 Ext.233.

Planning

Secondary units, also known as accessory apartments, granny flats, in-law suites, or basement apartments can provide affordable and convenient housing options and extra rental income for property owners.

The Township's zoning by-law permits attached or detached secondary units on most residential properties. Please contact Karl Doyle at karl@southstormont.ca at the Township office for more information and to help get your project started.

Corporate Services Department

Tune into South Stormont Council Meetings online

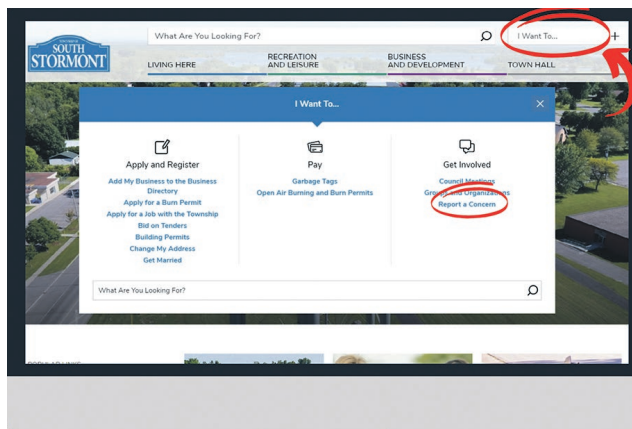

Throughout the COVID-19 pandemic, most South Stormont Council meetings have been either closed to the public or online. To tune in, visit southstormont.ca/councilmeetings while the council meeting is in progress and under the “Upcoming Meetings” tab, press the “video” link to view the livestream. On this same webpage, residents can also view recordings of past council meetings and agenda information at their leisure. View our Community Calendar for more information on when meetings will be live.

So you're getting married? How exciting!

Congratulations on this special time in your life! If you are in need of an experienced officiant for your civil ceremony, the Township of South Stormont can help! Our officiants are happy to accommodate any special request you may have and would like to incorporate into your ceremony. If you would like to book one of our officiants, please contact Loriann Harbers at loriann@southstormont.ca or call 613-534-8889 Ext. 201. For more information visit southstormont.ca/gettingmarried.

DID YOU KNOW?

You can now complete many types of applications through our website! Apply for 2021 landfill passes, burn permits, and more at southstormont.ca.

Requests and Concerns - Access E11

The Township of South Stormont records all requests and complaints through a software system called AccessE11. Every request is recorded and forwarded to the appropriate department for response. In 2020, over 800 requests were recorded. With the Township website, you can submit your own request into the AccessE11 system. Simply visit southstormont.ca and on the left side of the web page, click “Report a Concern” under the popular links column. The request will be recorded and directed to the applicable department by our Customer Service staff.

OPEN AIR AND RECREATIONAL FIRES

An open air fire is defined as the burning of wood, tree limbs and branches where the flame is not wholly contained. Example include brush fires, windrows and farm/rural practices.

Recreational and cooking fires are fires that burn clean, dry wood for cooking or for pleasure. This type of fire does not require a permit and is permitted within built-up areas in the Township. The fire must be contained in a non-combustible container or fire pit no larger than 46cm X 46cm X 46cm and must always be attended by a responsible adult.

Open air fires that require a permit include:

1. Fire greater than 1 cubic meter. This type of fire must be 30 meters away from any structure or wooded area.
2. Fires for normal farm/rural practices (no larger than 6.5m X 6.5m X 2.5m).
3. Windrows for land clearing. This type of fire has specific regulations – please contact the Township office for full details.

Residents can obtain an Open Air Burn Permit online or at the Township Office. They are valid for a full calendar year (January-December). Permits are valid for the property listed on the permit only. Any additional properties will require separate permits.

GREEN LIGHTS

WHAT DO THEY MEAN?

The Township of South Stormont receives fire protection from local volunteers who often respond to emergencies in their own private vehicles. These vehicles are not equipped with red lights or sirens that make them stand out from any other vehicle on the road. To help the public identify firefighters responding in their own vehicles, the Ministry of Transportation amended the Highway Traffic Act to allow volunteer firefighters responding to emergencies to use a light that flashed green. If you see a vehicle with a flashing green light activated, you now know it's one of us, on our way to help one of our neighbours. Remember, the home we're rushing to save or life we're going to rescue could be yours, or that of a close friend.

PLEASE LET US BY!

Municipal Law Enforcement

Dog Tags

The Township of South Stormont is currently reviewing its animal services and dog licensing program. The 2021 dog licensing program is therefore suspended until May 2021. For more information on the Responsible Pet Ownership Program visit our website at southstormont.ca/responsiblepetownership.

THANK YOU VOLUNTEERS OF SOUTH STORMONT!

VOLUNTEER OF THE YEAR AND YOUTH VOLUNTEER OF THE YEAR

The Fran Laflamme Volunteer of the Year Award is presented annually to acknowledge and reward a volunteer who has made an outstanding contribution to our community. The recipient is recognized during the annual South Stormont Volunteer Appreciation Gala. We will also be accepting nominations for youth volunteers 18 and under for the Youth Volunteer of the Year Award. Nomination forms can be found online at southstormont.ca, submissions can also be made online or mailed to

kevin@southstormont.ca

2019 YOUTH VOLUNTEER OF THE YEAR AWARD

The Township of South Stormont would like to extend our congratulations and appreciation for **ALEXA ZUMMACH**, who was awarded the inaugural Youth Volunteer of the Year!

Alexa has demonstrated a passion for this community through her continued support and volunteerism within a variety of our local not-for-profit organizations.

Currently a grade 12 student at Tagwi Secondary School, Alexa has been part of her student Council and has focused on mentoring new students joining her school family. Outside of school, her volunteer efforts are well recognized with the local 4H Club and the Stormont County Fair Board. She also continues to volunteer for community events such as the Ingleside Firefighters Challenge, Canadian Cancer Society Relay for Life, Stephanie Grady Memorial Run, and the Avonmore Ladies Night. Alexa indicated that she is currently working as a waitress in Ingleside, helping on her family farm, and loves spending time with her horse. She plans on attending Loyalist College in 2021, and hopes to one day enjoy a career in border services or criminal investigation.

Thank you, Alexa. Your Council and community are incredibly proud and wish you all the best in your bright future!
