3 PARKS RECEIVING NEW PARK EQUIPMENT IN 2025

The Director of Parks and Recreation provided a report to Council about the awarding of a tender to purchase and install 3 new play structures in parks within South Stormont to Henderson Recreation Equipment Ltd.

The three parks scheduled to receive new equipment are Melanie Warner-Cain Memorial Park (Elm Street, Ingleside), Henry de Rooy Memorial Park (Lunenburg), and Mille Roches Park (Long Sault). While the tenders specified a final completion date no later than October 24, the hope is to have each park installed in September 2025.

2025 STUDENT BURSARY RECIPIENTS

Council awarded the 2025 South Stormont Student Bursaries to three deserving students on Wednesday. After receiving 25 excellent applications, the selection committee chose to award the 2025 bursaries to Sophia Labrosse, Treyson Garner, and Nathaniel Grenier.

Each student received a \$1000 bursary towards their post secondary education.

Congratulations!

>>> BY-LAW TO REGULATE SPEEDS

Council approved By-law 036-2025 to Regulate Speed Limits.

The new by-law consolidates all previous speed limit by-laws in the Township, corrects inconsistencies in signage, as well as reduces speed limits in select areas on on select roadways.

A full list of changes to speed limits can be found in the Council report
