

The Corporation of the Township of South Stormont

**Request for Quotation for the Replacement of the Existing HVAC Units Servicing the
Long Sault Wastewater Treatment Plant
Project No. 20-2021**

Due to the COVID-19 preventative measures, contractors shall provide digital submissions of the tender documents by email to EVB Engineering (jamie.baker@evbengineering.com) until:

14:00:00, local time, on Tuesday, October 5th, 2021

For the replacement of the existing Air Handling Units servicing the Long Sault Wastewater Treatment Plant in Long Sault, ON, which includes the replacement of the existing Make Up Air and Exhaust Air Units servicing the Headworks building at the Wastewater Treatment Plant. The HVAC unit replacement will include removal and disposal of the two existing units, installation of the replacement units, fit-up and tie-in of the existing duct work, re-insulation of the duct work, installation of the controls and existing power supplies. The project will include start-up, commissioning and balancing of the units.

On the same day, and shortly after the closing time, the tenders will be opened, and the total tendered amount will be read publicly. Details of the tender opening will be made available closer to the opening date via addendum.

Commencing on Wednesday, September 15th, 2021, digital copies of the RFQ documents may be obtained by contacting EVB Engineering at the address listed below. The digital contract tender documents will be emailed to each of the interested proponents whom will be added to the plan takers list and addendum email distribution list.

A mandatory job showing is scheduled for September 22nd at 9:00 am at the Long Sault Wastewater Treatment Plant located at 19 Robin Rd., Long Sault. The job showing is mandatory for all prime contractors who are bidding the project. Sub-contractors or suppliers may attend the job showing but it is not mandatory for them. Bids will be rejected from any proponent not in attendance at the mandatory job showing.

Tenders are subject to a formal contract being prepared and executed. The Township of South Stormont, at its own discretion, reserves the right to accept or reject any compliant or non-compliant tender and advises that the lowest or any tender will not necessarily be accepted.

Questions will be received until end of day October 1st, 2021 and shall be sent in writing to the Engineer. The Township reserves the right to distribute any and all questions (anonymously) and answers pertaining to this tender by addenda. The final addendum, if applicable, will be issued on October 4th, 2021.
