

The Corporation of the Township of South Stormont
Request for Tender – 18-2023; Long Sault Industrial Park SWM Facility
EVB Project No. 21079-30

Due to the COVID-19 preventative measures, contractors may provide either a digital submission of the tender documents by email to EVB Engineering (kevin.macculloch@evbengineering.com) or drop of a tender submission to EVB Engineering office located at 800 Second St. West, Cornwall Ont., until:

11:00 AM, local time, on Monday September 18th, 2023

For the construction of a new stormwater management facility and granular access road located in the industrial park in Long Sault, ON as further detailed in the contract documents.

On the same day, and shortly after the closing time, the tenders will be opened, and the total tendered amount will be read publicly. Details of the tender opening will be made available closer to the opening date via addendum.

The tender documents and addendum may be obtained from the project Dropbox folder commencing on Monday, August 21st, 2023. Please contact the undersigned to be added to the plan takers list and addendum email distribution list.

Project Dropbox folder may be accessed from:

<https://tinyurl.com/SWMFACILITY>

Each quotation must be accompanied by a quotation deposit in the form of a certified cheque, bank draft or bid bond for minimum of **10%** of the total quoted amount, made payable to the Township of South Stormont.

Quotations are subject to a formal contract being prepared and executed. The Township of South Stormont, at its own discretion, reserves the right to accept or reject any compliant or non-compliant quotation and advises that the lowest or any quotation will not necessarily be accepted.

Questions will be received until end of day September 6th, 2023, and shall be sent in writing to the Engineer. The Township reserves the right to distribute any and all questions (anonymously) and answers pertaining to this quotation by addenda. The final addendum, if applicable, will be issued on September 11th, 2023.

Engineer: Kevin MacCulloch, P.Eng., EVB Engineering
