

COUNCIL CATCH UP

CAPITAL EQUIPMENT PURCHASES FOR LONG SAULT ARENA

After an unsuccessful grant application for arena equipment upgrades, the Director of Parks and Facilities requested Council amend the budgeted improvements to find cost efficiencies.

A new condenser and water treatment system was removed from scheduled work, while a dehumidifier was added to the capital equipment purchases for 2025.

Township staff will continue grant application efforts for a new condenser and water treatment system to for future capital improvements to the arena.

PLAN 279 PUBLIC ENGAGEMENT

Council received an update on the ongoing public engagement efforts regarding the Area Development Strategy for Plan 279 in Ingleside.

A Public Information Session is scheduled for August 14 at the Ingleside Masonic Lodge from 2-4 and from 6-8 to share information and answer questions from the community.

Visit www.speakupsouthstormont.ca/plan279 to review information and share feedback.

➤➤➤ PRESENTATION OF NEW CHAIN OF OFFICE

A presentation was held to unveil a new Chain of Office which signifies the responsibility, power, and honour associated with the Office of the Mayor.

The Chain includes the crest of the Township of South Stormont, Provincial and Federal Coat of Arms, as well as the names of each of the Mayors since amalgamation.
